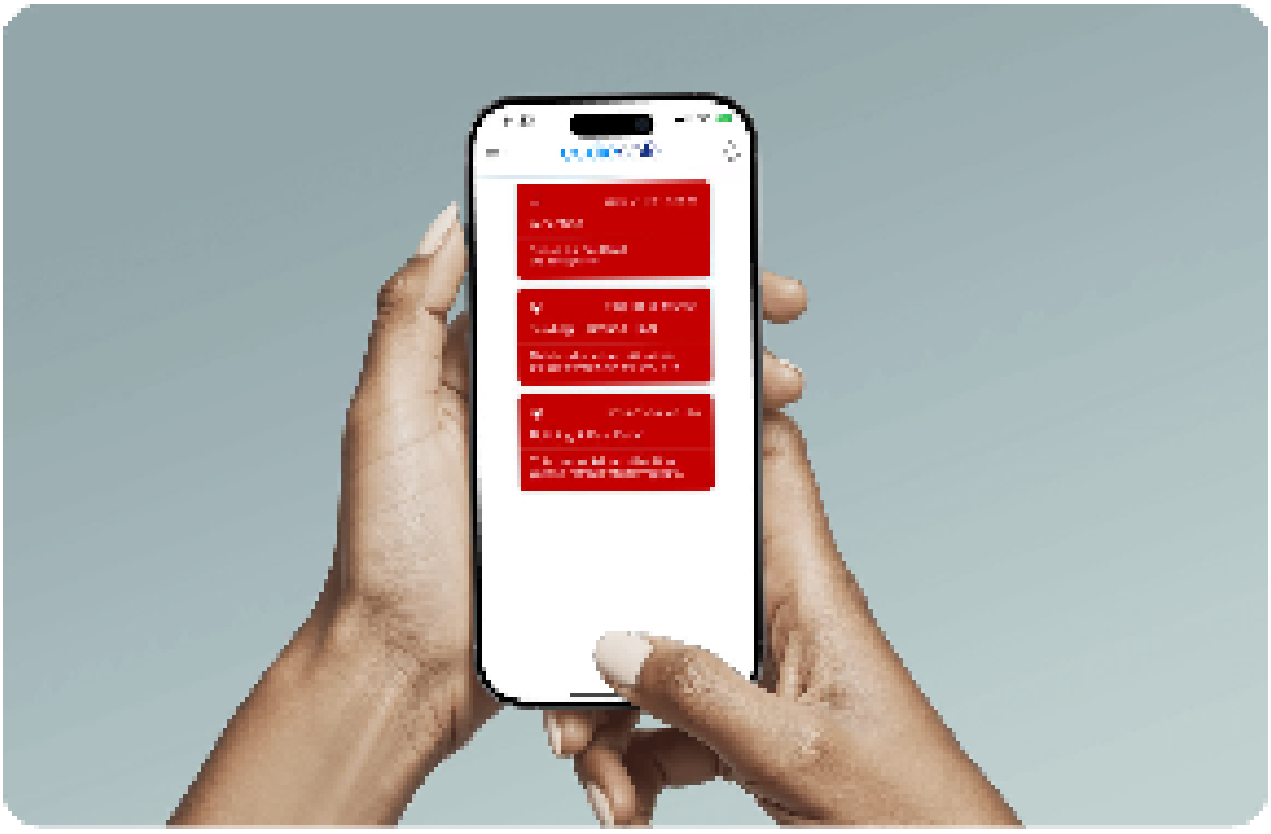
audiesafe

audiebant

Issue Number: 4.0
Date: 12/09/25

Elementary Technology



In today's connected world, safety depends on speed and clarity. Audiesafe extends your communication reach by delivering urgent mobile alerts to staff, visitors, students or remote users wherever they are.

Key Features

Instant Mobile Alerts
Receive pre-scheduled or live messages

Multiligual Push Notifications
Communication clearly across language barriers

Zoned Messages
Target specific groups, buildings or locations

Message Acknowledgment
Ensures alerts are seen and generates reports

Simple User Setup
Add users quickly through our secure portal. Guided onboarding via email

DND Override
Overrides Do not Disturb mode, silent mode and locked screens

How It Works

- Authorised users can create alerts from mobile app and computer
- Audiesafe users receive a push notification directly to their mobile devices
- Zoned messaging delivers precise targeting
- Acknowledgement confirms receipt of message

Why Audiebant?

At Audiebant, we believe communication should be seamless, intelligent and reliable. As a global technology company, we specialise in unifying audio, visual and mobile alerts into one powerful system ensuring people stay safe, informed and connected.

Our scalable, user-friendly solutions are trusted by organisations across education, healthcare, government, transport, events and commercial sectors, delivering the right message, in the right place, at the right time.
